Snowflake
dbt
Kafka
Terraform

EDUCATION

B.S. Statistics
Hill Country State University, 2018

CERTIFICATIONS

SnowPro Core Certification

PROFILE

Data engineer who builds batch and streaming pipelines for finance teams.

EXPERIENCE

Senior Data Engineer

- Cobaltline Insurance, Austin, TX | Jan 2022 - Present
- Moved 140 nightly ETL jobs from cron to Airflow with retries, alerts and an on-call runbook for the finance data team
 - Cut the monthly warehouse bill from \$61,000 to \$38,000 by clustering tables
 - Built a claims fraud feature store that 4 model teams read for training and for real-time scoring of new claims

Data Engineer

- Pebblestone Credit Union, Dallas, TX | Jun 2018 - Dec 2021
- Wrote the change-data-capture pipeline for 30 core banking tables
 - Added data quality checks on every load that caught 95% of bad loads before the morning regulatory reports ran
